Dear Sir/Madam,

5410 '99 APR 12 P1:19  
It has come to my attention that the FDA is planning to remove all current labeling requirements for irradiated foods. This is very upsetting to me. I urge you to continue labeling by continuing the use of the 'radura' symbol and the word "irradiated". Please allow those of us who choose not to ingest irradiated food the opportunity to eliminate this from our diets.  
Thank you.

Sincerely,

Charles E. Olney
